BRIEF ABSTRACT OF LETTER

Requests Sanction for the Supply of Copies of the Veyboue Gazette to the newly formed Veterinary Dispensaries and Hospitals

Supplied with Kanarese copies of the Gazette (vide Reg. j enter Letter [illegible] off with the Counter is sent)

12/5/3 (The necessity for supplying copies of the Gazette to such a large number of small officials is not clear. But it is now being done – Vide list showing also the authority).

4) The draft may be approved.

13/5

5 The list then to be [illegible] revised, omitting the names of all subordinate officials who can make but little use of the Gazette. The possibility of sending an extra copy to each Taluq for circulation to those officials instead of supplying each personally, may also be examined. There has been some waste regarding copies of Monthly Proofs. Another way of effecting economy would be to supply only certain parts of the Gazette in which these officials might be specially interested – The question may be fixed in detail on these lines

6) There is no hurry to pass orders

Reference Chief Secy's note on the previous page at para 5

Suggestion (1) To stop the supply of Gazettes to subordinate officials who can make but little use of the Gazettes. Information on this point has to be obtained from the Revenue Heads of Depts if approved they will be addressed

Suggestion (2) The possibility of sending an extra copy of the Gazette to each Taluk for circulation to those officials who are not supplied with Gazettes copies as per Suggestion (1). If it is meant a extra copy should be sent to each Taluk office it is doubtful whether the circulation by a Taluk office would be a successful one. It appears not to be a practicable proposition Perhaps the Heads of the Depts may be supplied with certain extra copies for circulation among the subordinate officers of their Depts to whom it is proposed to stop the supply of Gazettes as per Suggestion (1) This arrangements appears to be in vogue in certain Depts If however, an extra copy Suggestion (2) is to be worked out information has to be obtained from

the Compiler as to the Gazettes receiving Offices retained Taluk Headquarters
Rtn If approved a draft will be put up

Suggestion (3). Supplying only certain parts of the Gazettes to offices in which the officials concerned might be interested. If approved the Heads of the Several Depts Concerned will be addressed on the matter

4) Orders

12/5. 12) The list on the file may be forwarded to the Compiler with a request that it may be brought up to date and returned before the end of this month.

42 From the Superintendent of Printing re his suggestion for curtailment of waste in the Register Gazette

Each and every office is now supplied with a full copy of the Gazette free of cost. The Members of the Representative Assembly and the non-official members of the Legislative Council are also supplied each with a full copy of the Gazette free. It is desirable to restrict these free supplies. In Districts, copies ne not be supplied to subordinate offices which are under one head. One copy may be supplied to the Head Office and it may be circulated to the offices under its control. In cities, one copy may be supplied to each Head Office.

80) This relates to the question of reduction of the supply of copies of the Mysore Gazette.

81) In para 5 supra it was ordered that the list showing the public and private institutions eligible for the free supply of Gazette may be revised, omitting the names of all subordinate officials who can make little use of the Gazette. Several Heads of Deptts were asked to submit proposals for the reduction of the supply of the Gazette in their respective deptts. The reduction proposed by them is as follows:—

was 25—32 A supra

Agriculture

82) The Director of Agriculture in his letter dated 1-4-31 (Flag F) proposes that (1) the Agricultural Inspectors may be supplied only Part V instead of Part V and Part III—2; (2) that the Amrit Mahal Daroga and the Farm Managers be supplied with Part V only instead of Full Gazette. (as per list enclosed by him) This results in a reduction of 13 Full copies and 37 copies of Part III—2.

may be accepted 8/11/31

83) The I.G. of Police in his letter dated 14-4-31 proposes that the supply of the Gazette to his deptt may be restricted to the offices of the I.G. of Police, and Superintendents and Assistant Superintendents of Police; thereby reducing the supply of 83 Full copies.

~~The Chief Engineer in his letter dated 22-4-31~~

84) The Chief Engineer in his letter dated 22-4-31 suggests that the supply of Gazette to certain sub-divisional offices be stopped. This reduces the supply by 10 Full copies

Registration

85) The D.G. of Registration in his letter dated 4-5-1931 proposes (1) that the copies supplied to the Ex-officio Sub-Registry offices of Mudigere, Sorab and Sagar may be stopped;

(2) that the Sub-Registry offices may be supplied with parts I, II, IV, III-2, and VI-C.R.B. Notifications only. This results in a saving of 3 full copies and 62 sets of parts III-1 & 3, VI except C.R.B. Notifications and V.

Forest

86) The Chief Conservator of Forests in his letter dated 24-4-1931 suggests that full copies may be supplied to his office, the Conservator of Forests, Shimoga circle and the several district Forest officers; the other offices in the Deptt being supplied with only parts I, III and VI instead of full copies this results in a reduction of 76 sets of parts II, IV and V.

Education

87) The D.P.I. in his letter dated 13-5-1931 states that the Asstt. Inspectresses of Kannada Girls' Schools (4) and the Govt. Commercial School in Mysore need not be supplied. His suggestions reduce the supply of 5 copies.

2 APR. 1931

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR,

With reference to your letter No. G. 9048/P&S. 7-29-48, dated 28-2-1931 calling for definite proposals regarding the extent to which a reduction in the number of Gazette copies at present supplied to the various subordinate officers of this department is possible, I have the honour to state as follows.

1. The full copies of the Gazette are being distributed very sparingly only to important heads of offices and I do not see any scope for reduction in the number here.

2. The Agricultural Inspectors were getting only Part V before Government in their order No. G. 968-70/P&S. 2-26-50 dated 28th July 1927 however were pleased to sanction the supply of Part IV ~~...~~ (which now corresponds to part III according to rearrangement). If quite essential, the old arrangement of supplying only Part V to Agricultural Inspectors may be revived.

3. The Amrit Mahal Darogas are getting full Kannada copies of the Gazette. These and the Farm Managers (now getting full copies of the English Gazette) may all be supplied with Part V only in English like the Agricultural Inspectors. A full and uptodate list prepared in the light of the above suggestions ~~xx~~ is submitted herewith for easy reference.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

Referring to your letter No.10096-102/G.L. dated the 4/ April 1931 calling for proposals in the matter of reducing the number of copies - either whole or parts - of the Mysore Gazette now supplied to the subordinate revenue offices, I have the honour to state that according to the present scale of distribution each Taluk and Sub Taluk Office (except Periyapatna Sub Taluk which gets only an English copy) gets one English and one Kannada copy of the Gazette and this is necessary. I therefore regret that it is not possible to make any reduction in the present scale of distribution

GENERAL MISCEL... BRANCH
21 NOV. 1933

Dear Sir,

Recd 24/11/33 3 P.

In continuation of my D. O. letter No: 428, dated the 9th instant, regarding the submission of the proof of the list of Institutions eligible for the free supply of the Mysore Gazette, I am forwarding herewith two clean proofs of the list together with the first proof and to state that ~~the~~ most of the Municipalities with the exception of those mentioned on page 2, are paying for the Gazette.

I therefore request that these Municipalities may be eliminated from the list of free supply as they can well afford to pay for the Gazette. It will ~~also~~ be seen from last year's Report that there has been a fall in the subscription

for the Gazette hence this suggestion. The number of copies required of the list may kindly be intimated along with the print order.

Yours sincerely,

B. Krishnaiya
